

Due to its narrow, innovative construction, high level of user friendliness, and long service life, the SH 7 sets the standard for quality and cost effectiveness. Balanced weight (2" / 77 kg) and compact engineered design make the SH 7 perfect for workshops and on-site service as well as a service or reserve press for quick use. The proven greaseless slide bearing technology with quick-change system reduces maintenance costs, extends service life and increases accuracy.

SH 7

Quick insertion of the jaws

SH 7 with closed dies and QDC

SH = Hollow piston press tool

Description

The micrometer allows you to easily set the crimping dimensions.

The machine is pre-positioned manually.

The lightest mobile 2"-service crimper. Also available in 12 VDC/24 VDC.
